2 Year Olds

We've had a fantastic time in Two's Room recently, especially as we welcomed new friends into our class! One of our favourite activities was exploring the topic of 'Who Helps Us?' The children were excited to learn about the important roles of firefighters, police officers and other community helpers.

The fun didn't stop there! Our class had a blast dressing up as firefighters and police officers, pretending to be heroes in action. The highlight of our learning was a very special visit from our local fire brigade team. The children had the opportunity to hold the fire hose and even sit inside the fire engine! It was an unforgettable experience that brought our learning to life.

We're so proud of the curiosity and enthusiasm our class continues to show as we explore the world around us!

3-4 Year Olds

We've had some magical moments playing in the snow! Our little ones had a blast building snowmen and exploring the winter wonderland. It was a great way to embrace the chilly weather while staying active and creative!

We were thrilled to welcome the local firefighters to our nursery. The children had an amazing time getting to squirt the hose and even got to sit inside the fire truck! It was an unforgettable experience that sparked their imaginations and gave them a closer look at the brave "People who help us" which was our focus question for this half term.

This month, we embraced the vibrant culture of Lunar New Year. The children loved learning about the traditions, customs, and the significance of the celebration. They even had a chance to try out some Chinese dancing, which was so much fun! To finish off the half term, the children made their own Chinese dragons and lanterns to take home and show families and friends.

Our Book of the Month has been "The Runaway Chapatti," a delightful story that has inspired some delicious fun! The children enjoyed hearing about the mischievous chapatti that runs away, and as part of our exploration, we decided to make and try our very own chapattis! It was a hands-on experience that allowed the children to connect with the story in a sensory way. Everyone had a taste and loved them!
